

FROM OUR POPE

"...the situation in Gaza is desperate. Please, let everything possible be done to avoid a humanitarian catastrophe."

"May weapons be silenced, and let us heed the cry for peace of the poor, the people, the children..."

"Brothers and sisters, war does not solve any problem: it sows only death and destruction, foments hate, proliferates revenge. War cancels out the future. I urge believers to take just one side in this conflict: that of peace. But not in words – **in prayer**, with total dedication."

-- Pope Francis, Oct. 18 General Audience
